

How to make your Prayer Pod:

- 1) Cut off bottom of sheet to form a square.
- 2) Fold the square in half to make a triangle
- 3) Fold the two opposite ends of the triangle together, forming a smaller triangle
- 4) Open paper up (unfolding all folds)
- 5) Fold one corner into the center point. Repeat with all three other corners. You will end up with a square.
- 6) Flip paper over.
- 7) Fold a corner to the center. Repeat with all 3 other corners. You will end up with a smaller square.

- 8) Fold the square in half. Unfold and fold in half the other way.
- 9) Unfold and pull the four ends together, making a diamond-like shape. Pick up each of the four square flaps and put your fingers inside. You will be able to move the four parts around.
- 10) You now have a prayer pod! Have a friend choose one of the four options. Spell that word out while moving the prayer pod in and out.
- 11) Then have the person choose one of the new options that are showing. Move the prayer pod in and out as you spell.
- 12) When you finish have the person choose one of the four visible options. Open the flap they chose and read the prayer for the day.
